Describe your company in a few words :

Based in Lyon, le Concert de l'Hostel Dieu is a baroque music ensemble uniting soloists and instrumentalists around a double artistic project: a modern and dynamic approach to the baroque repertoire, with alternative or unprecedented versions, very often extracted from Lyon's patrimonial library and innovative artistic forms, where baroque music meets other style or art forms. The ensemble performs about sixty to seventy concerts per year, in France and abroad, and produces its recordings with the label Baroque et plus, distributed by Harmonia Mundi.
