Describe your company in a few words : Ghislieri Choir & Consort is a vocal and instrumental ensemble specialized in Italian sacred music of the eighteenth century. It was founded by its conductor Giulio Prandi in 2003 at the historic Ghislieri College in Pavia, Italy. The ensemble receives regular invitations from major international festivals and European concert halls and since 2010 records its projects for Sony International. Its concerts have been broadcast by RAI - Radio 3 , Culturebox - France Télévisions , Avro Klassiek, France Musique , RTBF Musiq'3 , Norddeutsche Rundfunk .

In addition to the consecrated authors of the late baroque and classical repertoire, with a special predilection for the sacred music by Mozart, the ensemble works passionately on the rediscovery of the sacred repertoire of the Italian XVIII century, presenting regularly in concert rare or unpublished music, fruit of a constant research work.
